

4-year Workplan Development & Strengthening Workforce Development

7-8 February 2017, Bangkok, Thailand

Why ?

- The Global Health Security Agenda (GHSA) was launched in 2014.
- Countries commitment:
 - Thailand and Jordan
 - Ethiopia, Finland, Saudi Arabia, United State and Yemen.
- Five years action items:
 1. Implement strategy and plan
 2. Established and strengthen training program for public and veterinary health professionals.
 3. Strengthen national network
 4. Strengthening international and regional network to share resources, scientific data, and best practice
 5. Foster opportunity for joint investigation and training
 6. Expand the workforce at the district and provincial level

What have done?

- Regional strategic framework was developed by the leading and contributing countries and ASEAN members.
- VDO conference was conducted with some challenge.
- Ethiopia visited FETP Thailand.
- USAID support previous year budget through FAO.

Challenge:

Good proposal for next year funding support

Objectives
